

4-H JOURNALS PHOTO PAGE PLAN

PLANNING MY 4-H PHOTOS

Main Project _____

Other Projects _____

1. Figure out how many pictures you will need for your 4-H record book.
 - a. Each 4-H'er can have 4 pages of pictures.
 - b. You can probably get 4 or 6 pictures on each page.

How many total pictures will you need?

$4 \times 4 =$ _____

Or $6 \times 4 =$ _____

2. Now you know how many pictures you will need, you will want to know what kind of Pictures.

You need:

- At least 4-6 pictures of your main project
- At least 4-6 pictures of your other projects.

And

- At least 4-6 pictures that show in a leadership role.

And

- At least 4-6 pictures that show you doing a community service activity.

Good photographers plan their shots! What's your plan?
