

## Using Medicines Wisely

1. After this lesson, I intend to read the entire label on the back of an over-the-counter medication before I purchase it.

- Yes       No       Sometimes

2. After this lesson, I believe it is very important to use the dose recommended on the label.

- Yes       No       Not sure

3. I intend to use at least one technique I learned in class today.

- Yes       No       Sometimes

4. After this lesson, how do you feel about mixing ingredients/medications?

- I have always been careful about this.  
 I will be more careful.  
 It's not really that important to me.

5. After this lesson, I have a better understanding of the importance of reading the drug facts label before I use an over-the-counter medication.

- Yes       No       I need more help

6. What is the most important thing you learned today that you didn't know before this lesson?
